

Representation Options in the State of Missouri

This course is MREC approved for 3 Core CE hours.

Confused about agency? Transaction brokerage? This course qualifies as the Core Course prescribed by the Missouri Real Estate Commission. It charts the way among agency relationships and transaction brokerage relationships. Key features of Missouri brokerage relationships are discussed so participants can come away with a better understanding of how they may want to work with consumers.

Ethics Dilemmas and Practices: The Code and The Law

This course is MREC approved for 3 Elective CE hours.

Satisfies NAR Quadrennial Requirement

Learn the Code!! In this course, students will learn the parallels and differences between license law and MREC Rules and Regulations as compared to the Code of Ethics and be able to raise the standards of their practice to meet the highest standard required to serve clients and customers.

Manage Your Risk and Stay Out of Court

This course is MREC approved for 3 Elective CE hours

Learn to avoid common mistakes that might lead to fraud, misrepresentation and negligence! Property disclosure and condition issues are the leading cause of lawsuits against real estate licensees! This course examines what the risks are and how to manage and reduce mistakes by understanding the concepts of property disclosure.

The Life and Times of Rhonda the REALTOR®

This course is MREC approved for 3 Elective CE hours

In this course, students will learn appropriate policies and methods to set up and operate a real estate brokerage, including agency issues, MREC Rules and Regulations, License law, fair housing law, commercial environmental issues and thus be better prepared to correctly handle transactions with clients and customers.
